# Planet

KOLIKOR LJUDI, TOLIKO PLANETOV. Pripni se na svojega! Naj bo tvoja soba tvoje izhodišče. Od tod grede poti na vse strani: v pravljice in v prihodnost, v ritem glasbe in v prve dvojine. Sem se vračajo vsa doživetja: v sobo barv in lesa, v sobo, ki je po tvoji podobi ustvarjena. Odpet in pripet – potrebuješ svoj planet!

AS MANY PLANETS AS THERE ARE PEOPLE. Attach yourself to you own planet! Let your room be your starting point. All your paths start on their way here, leading you towards fairytales and to the future, to the rhythm of music and to the first dualities. All your adventures return there: to a room of colours and wood, to a room created according to your own likeness. Fastened or unfastened – you need your own planet!

## KOLIKOR STVARI, TOLIKO PROSTORA ROOM FOR SO MANY THINGS

Za vso tvojo garderobo in še kaj! Police, obešalne palice – vse je na voljo za tvoje želje. Poleg razporeditve notranjosti, se omari razlikujeta še v načinu odpiranja in zapiranja vrat – ena ima drsni sistem, druga pa klasični. Si že izbral?

For your entire wardrobe and more! Shelves, hanging rods – everything you need. In addition to a varied interior layout, the closets also differ in terms of the opening and closing of doors – sliding doors or conventional doors. Have you made your choice?

COLOURFUL AND DOTTED  
This is your world. With so many colours and motifs that you can put on the sliding doors of your closet.

## GUMIJAST ROČAJ

Udobneje in varneje! Za vas in vašega otroka: gumijasti ročaji.

## RUBBER HANDLE

Safer and more comfortable! For you and your child: rubber handles.

## NIZKA GARDEROBNA OMARA

Ravno prav velika! Nizka garderobna omara, v kateri bodo oblačila otroku vselej dosegljiva. Omara je tudi odlična izbira za prostore v mansardi.

## LOW WARDROBE

Just the right size! A low wardrobe, where clothes will always be within reach of your child. This wardrobe is also a great choice for rooms in the attic.

## NOGE PISALNIH IN RAČUNALNIŠKIH MIZ

Noge? Klasične, na gumiranih kolesih ali po višini nastavljive za 12 cm gor ali dol. Izberite!

## LEGS FOR DESKS AND COMPUTER DESKS

Legs? Classic, on rubber wheels or height-adjustable 12 cm up or down. Take your pick!

## PREDALNIK NA KOLESIH

Najljubše vselej pri roki! S predalnikom na kolesih, ki bo svoje mesto našel pod mizo, poleg mize ali v prostoru. Pripelji ga, kamor hočeš!

## CHEST OF DRAWERS ON WHEELS

Your favourite things will always be at hand with this chest of drawers on wheels, which will find its place under the desk, next to it or somewhere in the room. Move it wherever you want!

## DRŽALA ZA KABELE

Nič več zmede in vozlanja! Držala za pripenjanje kablov poskrbijo za bolj urejen videz tvoje sobe in večjo varnost.

## CABLE HOLDERS

No more mess and knots! Cable holders for pinning cables give a tidier appearance and increased safety for your room.

## ZAKLJUČNI ELEMENT

Ne več na tla, raje na police! Sem lahko ob vstopu v sobo odložiš svoja oblačila in različne predmete. Element je ožji, da se boljše prilagodi obliki in razporeditvi prostora.

## END UNIT

Put it on the shelves, rather than on the floor! As you enter your room, you can lay your clothes and other things here. The unit is narrow to better suit the shape and arrangement of the room.

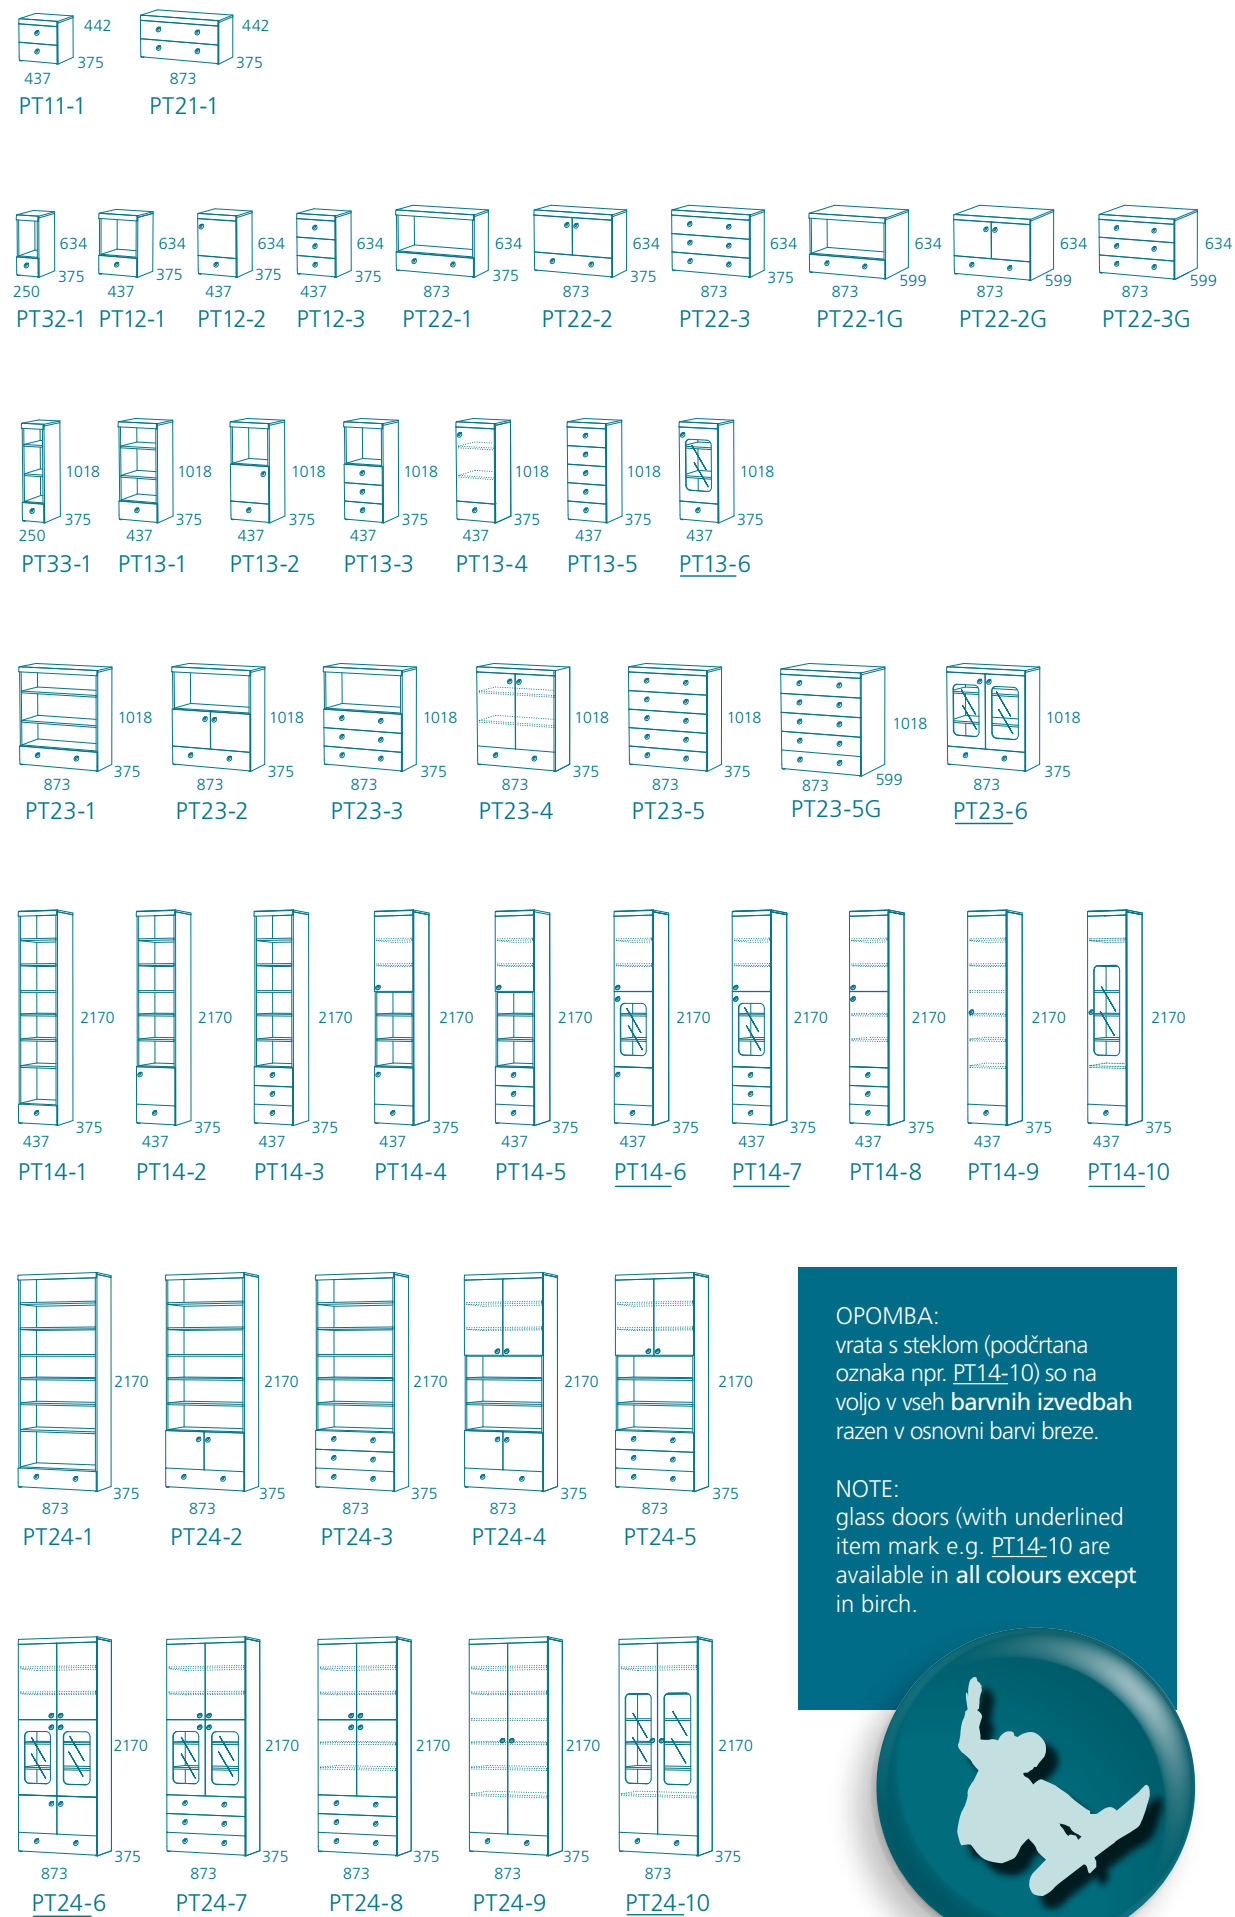

## ENOSTAVNO ODPIRANJE

Brez težav in napora: lahko in neslišno odpiranje vrat visečih elementov.

## SIMPLE TO OPEN

Without any difficulties or effort: you can easily and silently open doors of hanging units.

## OSNOVNI ELEMENTI / BASIC ELEMENTS

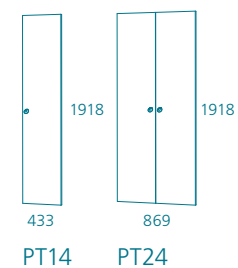

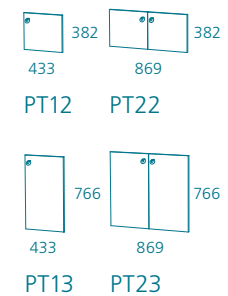

OPOMBA:  
vrata s steklom (podčrtana  
oznaka npr. PT14-10) so na
